Reader of the ICC-lawcase against NL,

I received legally valid evidence that ICC wants an economical crisis, civil war in Europe & worldwide.

The email proves that ICC-prosecutors try to murder me.

Today I received an email that proves that ICC prosecutor Fabout Bensouda t & other ICC-employees try to murder me.

The letter I received by email is published on

http://www.desireestokkel.nl/
http://www.desireestokkel.nl/ICCletterLawcase%20against%20NL-murderattemptOTP...

I don't recognize this email, because every criminal can send me this type of emails.
I only accept an ICC-letter signed & arrived by mail.

Then I shall lodge a complaint with the president of the court, after receipt of that letter.

The content of the letter is a mix of strange sentences that have nothing to do with legal fact of the lawcase, humannight treaties..., proceedings...

The content is legally worthless.
And is clearly written by retarded persons, wh have no knowledge about courtsystems at all.

ICC refers to earlier correspondence they have send to me.
Well, they only sent me 1 letter.
In that letter ICC agrees with me starting an lawcase against NL

http://www.desireestokkel.nl/PROCbriefICC12nov2007.pdf.

Thus: now I publish Youtube-videos ICC tries to murder me... and want an economical crisis & war in Europe. ICC want Worldwar3 .

ICC is now officially guilty of a murderattemtp on my body.
They also prove that thy want genocide in NL.
They want EU-leiders to stay above the law.
They refuse to work with humannight-treaties.

And they think they can get away with it, by threatening to kill me.

I will continue to try to make ICC work like a fair courtsystem
I will continue to make videos about the warcrimes committed by ICc-employees.
