Fiona Shackleton,

Paul mcCartney has made the choice to have people killed for his Spoilt Rotten Celebrity lifestyle in Israel.

Don't be suprised if war-citums or their relatives 'kill you, now you are officially linked to him' when Paul has caused the death of others.

Read my websites.

TRY TO STOP HIM.

You have to stop your relationship with Paul mcCartney officially.
NOW.

He doesn't even care for his own children.
He's certainly not going to care for you or me.

He lost his clear mind.

You have to stop him!
He causes war, worldwide.

Paul mcCartney doesn't Love people...
The Israel-concert is not about Love for Friends.

He is linked to a lawcase with the International Criminal Court.
I am the victum who started this case, but I am also the most important woman on Earth who can stop war-crimes of Europe.
He misuses my trust, Love...and my credits amongst Moslims.

He behaves like a prostitute who wants to get payed for his Love.
