FBI

I have opened a website on which I address KeatonJones.

The FBI must work more intelligently.

Solutions are available on a short notice and in an easy-to-use system.

The Arbitration-courtsystem.

You know that both Trump and UNSG guterres refuse to work legally correct,
what causes harm on many human bodies.

Now I am the InterimPrimeMinister for the Whitehouse in the USA, the FBI-top
has an enormous amount of power.... for solving Problems; you can ignore Trump
and the USA-parliament.

Simple start to Solve Problems.

I will publish this email on:

O, by the way... VIPS must be ashamed of themselves.

First they use Keaton to make themselves more famous... and then they
suddenly withdraw, without implementing the Childrens' treaty & Torture-treaty.

Without giving Keaton advice for 'going to Court'.
