Onderwerp: Fw: NL royal family tortures & kills citizens Fw: Min ForeignAffairs Swiss endangers CERN Fw: Prince Charles - ICC trial Competition = GenocideclubNL

Christina Fernandez,

Worldcrunch, Forpressfound, Latintimes, Foxnews, ABC, Reinemaxima, Martinvrijland, Socialregistar, Merco, Global, Camelleri, Laprensa, Economist,

Queen Maxima tortures & kills NL-citizens, with the approval of the NL-parliament.

I started an ICClawcase against NL Royal family for crimes against humanity in NL.

Subject: Fw: Min ForeignAffairs Swiss endangers CERN Fw: Prince Charles - ICC trial Competition = GenocideclubNL

Swiss Human right organisations,

The Swiss embassy in The Hague The Netherlands and the Ministry of Foreign affairs think 'its funny that the InternationalCriminalCourt assists the NL-parliament, NGOs and NL- Royalfamily in torture & murder of Citizens'.

I started an ICC-lawcase against all NL-parliament political parties and the NL Royal family.

ICc refuses to use the Statute of Rome against EU & NL-leaders.

We have a Genocideclub in NL, which – in coöperation with EU and UN - kill individuals in request. They payment for these ICC-coordinated killings is usually 'a donation to ICC'.

They try to murder me, now I can prove this horror being a Dutch woman.

But, there is more....

The Genocideclub Nederland also works for CERN.

This means that CERN is a a high risk for attacks by criminals...

Swiss-politicians make fun of this situation.

Its very important that you stop the lies of Swiss powerful persons about the methos of work of ICC.

ICC is nothing more that a cover for Parliamentarians who want to be free to kill individuals who prove corruption inside Courts, Barassociations ...etc...'.
Please forward this email to others.
I don't want a civil war in Europe started by ICC.

BrianCox, CERN, Swiss, ICC, Russia, China, Mehr-demokratie, Telejato,

The Ministry of ForeignAffairs of Swiss is a member of the Genocideclub inside ICC.

They organize the ICC Trial Competition to give students acces to ICC for torture & murder.

Criminals read the ICC-site carefully.
Libya...etc...

Thus.
CERN is a hugh risk and can easily be attacked by terrorists,
because the scientist collaborate with politicians who misuse CERN
as a cover for their murder-games.

Prince Charles,

The ICC trial competition is an initiative of the Gneicideclub Nederland = HCSS, Universities, politicians, lobby.

https://www.youtube.com/watch?v=xnozOYurO_o&feature=youtu.be

All University-students who participate in this ICC trial Comptition are already warcriminals themselves.
They are shovelled forwards by politicians who misuse ICC as a murderweapon in their hands.
