### **This USA- Courtcase on the MH17 perpatrator Igor Girkin is nothing more than a Cash-machine for lawyer Wisner.**

In legal termes = 100% worthless.

Because Obama - Clinton are responsible for the fact that the MH17 flew over Ukraine, too.

They keep the International Criminal Court open as their private laundryservice for warcrimes; they support ICC in lies about the cause of MH17, namely: ICC itself - in coöperation with NL.

I have said is a million times: MH17 families can only win lawcases - justice- dignity when they start from ICC-lies.

An USA - NL - RU - UA court can easily overrule the USA-courtverdict.

Its a very simple job!

NOS - NPO only present themselves as extremely low-intelligent Dictator-Lovers.  
What breaks down the national security of ALL Passengers who fly via Holland.
