Paulmccartney helpt het Internationaal Strafhof bij het folteren en doden van mensen om Obama, Cameron e.a. politici aan de macht te houden.

Hij heeft mijn verzoeken voor hulp aan hem - mijn prive correspondentie - misbruikt om zichzelf te verrijken.

Ik heb hem gevraagd mij te helpen ervoor te zorgen dat het ICC functioneert als eerlijke rechtbank.

Heb hem gevraagd mij te helpen de levens van 100.000-den mensen te redden.

Hij doet het tegenovergesteld = alleen machthebbers die kunnen bepalen dat het ICC een witwaspraktijk voor Westerse leiders is helpen bij het doden van individuen via het ICC.

Door zijn criminele gedrag moest de NGO No Landminses sluiten.

Ik probeerde de levens van bom-experts te redden; hij jaagde hen juist de dood in met zijn vriendjespolitiek.

Er ligt een ICC-rechtszaak tegen Paulmccartney voor deze praktijken. Hij zorgt ervoor dat in Israel en Palestina slachtoffers van de oorlogen NIET naar het ICC toekunnen om zichzelf te verdedigen. Hiervoor foltert hij mijn lichaam met als doel mij te doden. Denk hier even aan als je bij zijn concert aanwezig bent.

In a video I explain the true terrorism-risk behind London2012. Paulmccartney is a warcriminal - a Hitlerfreak - who is kept a VIP by the BBC, Buckinghampalace & London2012... for reasons of kapitalism.

McCartney has proven to me hat he wants the InternationalCriminalCourt to stay a Hitlercourt. McCartney did not want to help me turn ICC into a fair courtsystem for individuals.

He only wants to steal from me, torture me and try to murder me. He did neither want to anticipate on a war between Israel & Palestina.

He wanted to take sides for Israel.

He is rewarded for it by Obama with the Gershwin & Kennedyprize. After this reward and my exposure of the truth, he suddenly became a baordmember of The Onevoicemovement. This movement kicked me out of the building because they don't want to work with lawyers, courtsystems to end the wars. They only want to have a VIP-statusquo. So, this movement wanst people to die.

Mccartney is under a death-threat of angry Moslims. And now Buckinghampalace refuses to remove him from The Diamond Jubilee and London2012. Buckinghampalace wants terrorism-risks BBC is lying about ICC, Paulmccartney & terrorism for reasons of money.

BBC has made many documentaries on warzone. These are all lies when you put them next to the truth about ICC. BBC wants to keep the lie alive, because those documentaiers are GIGA-salesproducts. BBC rather distributes war & terrorism than that they build truth & justice.

Time to put life between Paul & me on 1 page

Why am I so angry with this man?
I asked him to rescue my life and this is a realy big thing.

He and I 'leveled' in 2008 more than you can see here. I explained everything about the way NL-ers torture & kill residents. How ICC builds war...

Me, being rescued from torture & death, is No virutal-game on the Web!
I understand that he's not an average individual who can fly around the world unknown.
Schiphol-airport is not going to remain silent when his plane lands...
But there are always solutions present for important talks & meetings.

The fact that I may not die - and that I need a famous private powerful individual to take me away from hell - is the difference between more Wars or more Peace on Earth.

Paul is a man who thinks:
'O, D. is doing well..., she can write to me or about me... Let it be'.
In this case that attitude has caused more Wars!
It also has made people who want me death - want my ICC-case to be a useless lawcase - stronger.
ICC-employees are now more violent than they were a year ago. they laugh mein the face, because nobody wants to invest in me, to make me stronger. to ease my pain, to make me more powerful on planet Earth...
Me, writing here is not going to stop the obsessions of ICC-employees!
On the contrary....

My websites are not going to provide in more 'safety at work' for NGOs like NoLandmines.UK, because the highest court on Earth is free to be a lobby- & assasinationcentre.
And see what happens...
Parliaments consider themselves to be above the law... and become more violent every week.

In NL, the media is not going to change.
BE-media is more fair to the people; BE-parliament is less corrupt.
BE-supreme court sets limits to corruption & favourism.

The explosion of Wars on Earth and the implosion of NL are strong negative powers, free to grow in hatred.

The investment-system I want from Paul is fair, cheap, social and highly powerful.
I want him to give me a loan of 10.000 euro's in a letter with his business-addresson it. To be payed back from the payment for the damage which I have to get from my ICC-case.
By implementing this system - me next to Paul in the media - ICC can No longer be partial to NL, UN, EU or NATO.
Those organisations will be forced to build a anti-war-system...

I am angry with Paul. He refuses to be civilized and makes his 'criminal-attitude' centrepont of a row between him & me.

I will do everything possible to get PaulmcCartney in prison for 'crimes

Request for people in warzone:
'Please don't put bombs on children with cancer'.

I know Nato, ICC, UN, & EU and many other organisations kill your
children for FUN.
But there's only 1 way out...and thats to put EU-leaders in ICC-prison....

I want PaulmcCartney to suffer as much as you do... Oh, yes believe
me! This monster has complicated my ICC-case... and laughs about it.
And has sabotaged justice for warvictims... simply because he wants to
end his life on Earth in his Beatle VIP-lifestyle and screwing an
American Beauty named Nancy Skevel '.

**Obama & mcCartney both sabotage justice for warvictims, aid-

This has nothing to do with 'supporting a war-victims who needs to

DOSSIER VANAF MEI2007 (/DOSSIER-VANAF-MEI2007.HTML)
His stubbornness comes with the megalomania inherent to a Saint....,
DOSSIER SYSTEMED HINDOENLWYSTERNAKER (TWB)
has adjusted himself
with the NL-war-makers -. Hell in expansion!

At the cost of my life... and that of aid-workers who mean well...

I am also angry because he's crude!
For my self-defence I have to write articles on my websites I don't want
to write.

Its to painful for my body-soul-spirit.
I have to defend myself against the activities of a man who pretends he
want peace, but only when it comes freely to him..., by wind.
I asked him to rescue my life, not to use my request against me...as if I
am an inferiour kind of animal, a cockroach...or so...

He doesn't want to work together with me, neither wants to set me
free with truth!

Paul's behavior causes more Wars; he doesn't want to learn to
anticipate on this.
Doesn't want to educate himself with methods that bring EQ-security
or even Peace.

He doesn't care for me as a person, while I am the most important
woman in the EU for worldpeace at the moment.

Result:

Paul watches me fight, me being tortured and killed by ICC, NL-
parliament, NL-media.
Doesn't want to search for methods to turn hell into a walhalla...

As a war-victim I don't have to be so civilized 'that I have to wait in war-
zone for a VIP to recover from a dangerous marriage with another
VIP'... before he rescues my life..

When Paul doesn't want to save my life or that of others, he has to
make other decisions in his relationships...
Say:'I don't want to help you, you can drop death. It doesn't matter to
me...', for example.

Dr Sir Paul mcCartney is not confused.
Simply to proud to admit that he has made a horrifying mistake, in
connection with me, Israel and others...

I can't remove him from my websites of live 'as if he doesn't exist'.
NLF-readers trust me, because they can follow my thinking- &
behavioral-pattern over a number of years.
When I suddenly remove him, people will lose trust in me.
Ask themselves:'why is Desiree suddenly rewriting history?'
Kill him, for sure...
When I 'let him be'... he increases danger in the lives of people linked
to me. He has turned himself into a Dutch war-maker.

So, there's only 1 solution:
He has to undo his mistakes in deliberation with me...The longer he
waits, the more painful consequences will be.

Desiree

Paul and I took off very well in 2008...

But he doesn't want to talk to me in a civilized way about NLF Young
adults or my ICC case.
Doesn't want to analyze how he personally contributes to more HEL in

I can only email the FBI, hoping that they will stop Obama, McCartney and others involved.

At this moment Paul McCartney speeches at the EU-parliament on global heat.

This proves that politicians only want to kill people...and want to rescue the lives of the upperclass criminals!
They protect McCartney while there's an ICC-lawcase against him, now he enriches himself at the cost of lives of warvictims, aidworkers, soldiers & civilians in warzone.

I am going to press charges against EU-presidents Jerzy Buzek & Edward mcMiller Scott with the Int.Criminal court for supporting a private entrepreneur named McCartney, an official warcriminal .

US Library of Congres accepts my warning in connection with terrorism-danger caused by Paul McCartney.

(/uploads/5/6/2/4/56243847/uslibraryofcongresacceptsiclawcasepaulmccartney20nov2009.pdf)

McCartney is suppose to receive the Gershwin prize in 2010 for his lifetime occupation
'Popular song-performances' out of hands from US Library of Congres.
This must be including his rude & druce behavior towards lawless-people and aidworkers/soldiers = his crimes against humanity.
FBI reads my websites weekly.

US Library of Congres announces Gerswhin-prize for McCartney (<http://www.loc.gov/today/pr/2009/09-230.html>)

When the Whitehouse gives Paul McCartney this prize in 2010 , this will result in the death of soldiers & civilians in warzone.
Because the Whitehouse proves over and over again:
'that they don't want civilians in warzone to have acces to fair

my life and even to more war on Earth.

DOSSIER VANAF MEI2007 (/DOSSIER-VANAF-MEI2007.HTML)
McCartney has misused my ICC-case for his security during the Tel Aviv-concert.
Without talking to me or ICC about it!
this has resulted in more hel for me personally...
And the Gaza-war.

When McCartney would have been civilized to me before departure to Tel Aviv, the Gaza-war would most likely not have taken place!
Israel would have been forced to think & talk about the Int.Criminal Court as a solution for local conflicts with Gaza.

Now people send him away because he's unclear about his positive contribution to Peace...

There's only 1 conclusion left:

Paul McCartney is a narcissist who wants people to suffer for him.
It makes him feel important when his name is linked to people in warzone. Nice for in the history-books.
But, he doesn't want to do anything at all to minimize the pain in the life of a lawless person.
He doesn't want people in hel to have means & opportunity to change their lives for the better...and make Earth a better place.

He misused my ICC-case.

Caused more pain & hel in my body; complicated this lawcase. He observers me being tortured & killed by ICC-employees.
Takes sides for politicians - like Obama - who use him as a cover for their war-crimes.
And..McCartney uses Obama as a cover for his war-crimes in connection with me ICC-case & his Tel Aviv-concert too.

McCartney kills people in warzone, because that makes him feel VIP.

I have given him time to 'undo his mistake'. given him a legally valid solution in June 2009.
but he rather brings lawless lives & pain to people who have no perspective on a better future in their lives.

I informed Downingstreet 10 about the fact that I will send mcCartney 2 letters:

Contract between him & me that proves 'that he wants to undo his mistakes in connection with Tel Aviv, ICC , NolandminesUK & me'. It also proves that he want ICC to be a Fair Court of Law that stops war. Letter, with which I put mcCartney in ICC-prison for torture --- after he refuses to be cooperative with me for 'safety at work', national security & justice. mcCartney lives by the definition of 'Let it be...', meaning...

- mcCartney
- = free to do whatever he wants because he's a wealthy 66 old rockstar
- = takes his private plane and flies to all places for performances to have a good time
- = 'screws his Jewish USA-VIP-girlfriend in all places', a sign of distribution of Love now people HATE Americans & Jews...
- = entitled to have a 'Good time' while he is informed about the fact that he endangers peoples lives with his current behavior. He doesn't

have to change anything about it for security for other human beings

Paul... 'YOU are the problem'!

You behave like a pitiful OLD MAN who wants to keep up his fairy tale
'Beatles', without growing in wisdom.

Because times have changed YOU MUST grow in wisdom, but instead
of enjoying this new - last- phase in life, you prefer to:

discriminate, humiliate, insult

destroy the identity of a person who criticizes you

because you are DrSirPmcC...

you ignore lives & work of persons who protest against your rude &
crude behavior...now you damage them for indefinite times...

= you refer to them as being 'Media' instead of working with them

together as being Human beings on Earth..., steal their work.... and

pretend its your own idea..., destroy their only survival-strategy and

make money out if it for your bankaccount..., laugh at their pain...

when they ask you top stop and learn forom your misktakes.....

And you want to turn you TERRIBLE behavior into you Saint-approach

to life....

And you blame others for everything that goes wrong in life...!!!!

When you refuse to make up with me, officially... - like normal human
beings do - your message to me is:

'I want to keep you in pain as much as I possibly can...and make the
future of your kids hel too..'

Your message to NoLandminesUK is:

'Even when Desiree can make Barack Obama clean up ICC, I 'm going
to continue to break down 'safety at work' for aid-workers... because I
LOVE to be a TYRANT... I want to be in controle of peoples mind...!'

Your message to Jamie Oliver is:

'O... Desiree will fix you up with safety .. I don't care for you...!'

You play games with human bodies at the cost of many lives in the
media.... and you enjoy it... Sick bastard!

You are clearly NOT FIT enough to take care of your own
communications for 'Security...and fair lives for All of Us'. this is why I

have to write large parts of the letter we have to send to ICC both, to make NEW Healthy systems work

My email to Downingstreet10 on Paul mcCartney is War-maker, 14april2009

(/uploads/5/6/2/4/56243847/downingstreet10paulmccartneyiswarmaker14april2009.pdf)

Paul mcCartney,

Last week, I put on the TV and saw an interview between a Lord M... and BBC-reporter on the subject:

'UK doing business in Irak'. Final conclusion of Lord M.=

UK can't do bunisess in Irak at the moment, because our UK-soldiers just left that country.

We don't want to build the image that 'we enrich ourselves at the cost of lives of war-victums',

Its not certain that business-results will be profitable for war-victums, linked to UK soldiers'.

NOW we have DrSir PmcC

(I don't blame you for 'NOT going to therapy during your wedlock with Heather / making mistakes you could have removed...by going to therapy'. Evolution. You have to accept this stupidity in yourself...)

BUT.....

Heather misused NoLandminesUK as a tool to blackmail more money out of you during your divorce-procedure. You ignore this, because you believe 'my private life is my private life'. Well it isn't! Certainly not when aid-workers & war-victums get damaged & killed because to the McCartney-group. You misuse people - who live & work in a dangerous situation - as a PR-campaign. They distribute your name....so you will sell more CD's & tickets.... People who have to sacrifice their lives for your Holiday-lifestyle are excluded from your civilized behavior, your music...Your so called 'Love'...

Queen Elizabeths Knight - DrSirPmcC - wanted to teach the World a lesson in Peace-building by going to Tel Aviv. He is linked to an ICC-case of a NL-war-victums who will bring Peace to Earth, one day ...when she gets the opportunity to do so... DrSirPmcC refuses to talk to this woman 'because he's a VIP and she's poor & lawless; besides he wants to Sc... his Jewisch USA-VIP-girlfriend on the beach and in SELF-made warzone Tel Aviv to prove that he knows what 'Love' is... Desiree with her ICC-case is the best & cheapest safety-insurance system one can find on Earth, because Worlds'presidents are informed about her lawcase. How Desiree survives is her problem. NoLandminesUK 'can drop death too'.... All for the Definition of Love, made by DrSirPmcC.

I asked you 'to talk to me', many times. You don't have to right to endanger my life, the lives of my children, NLF-readers & aid-workers, by ingoring legal responsibilities.... being linked to all kinds of people... You don't have to right to make money out if this procedure invented by you!

You are being stalked, again! I am NOT. Personally, I believe that non-
emails are from NLF-readers who want you to support me... If

PSYCHOLOGIE (/PSYCHOLOGIE.HTML)

You want to be linked to my ICC-case but you refuse to accept legal responsibilities inherent to it!

Result:

You are an UK-businessman who wants to enrich himself at the cost of lives of war-victims & aid-workers. Worldwide.

With an USA-business-mentality. The majority of people & war-victims HATE that mentality and the way it distributes war over Earth!

You bring UK in disgrace... and turn yourself into a war-criminal being linked to ICC & NoLandminesUK or other NGOs.

I told you:

'You have to choose between F...& F... Nancy... or... being a good father to your daughter Beatrice...'

So, what's it going to be...!?

This is the last time I ask you to contact me. We need to talk to come to an official agreement. You are legally not in a position anymore to dictate that agreement, but I'll find a way to make life work. For All of Us.

The next official letter I have to send you by mail is to put you into prison for being a war-criminal.

There's something wrong with the VIP-mentality = you all believe you have 'freedom to kill'.

12 april 2009

Paul McCartney...a warning...!

You refuse to be civilized to me 'because I may not endanger your holiday-lifestyle'.

I am a threat to you; you only want to misuse me:

= As cheap security-policy with my ICC-case

= As source of inspiration for the Fireman CD - the war-criminal in you

= For your PR-campaign for the Digital-Beatle-collection.

= I prove Earth that you are a tyrant now building his SELF-made WARZONE. You never apologized to anyone for taking the wrong path in your life = you don't care if you damage others...

YOU HAVE 2 OPTIONS:

You continue your tyrant-behavior, what implies 'that you don't care for security at your concerts/fundraisings/people connected to you.... And, that you want ICC to be a Hitler-court on Earth. In THIS CASE you will cause more hell on Earth = I will put you into ICC-prison for the rest of your life when you cause attacks or something like it on individuals linked to you.

You stop being a low-intelligent tyrant, contact me, so we can work out an agreement. When you stick to it, people will not get hurt deeper.

Then I can give Earth 'a Greencard on your fair behavior for war-victims'. = You will stop ICC-war-crimes, supported by EU, UN, NATO. What Barack Obama will do with ICC is still unclear.

I HATE YOU

= don't you ever think again 'that you can fuck me'. Did your son tell you 'that I never wanted to be screwed by you = I am simply not that kind of girl'. Or did you never give him my letter; did you open it yourself?

O...STOP the SALE of the Fireman CD

= NLF-readers don't want to see a video with a Jewish-USA-VIP-half-naked-woman in it calling: 'Change'

= They don't want to be humiliated & insulted by your USA-VIP-

= they turn NL into a violent dictatorship together with balkenende & co, 'because they only want to behave like Dictator-barbiedolls'.

I want you to stay away from NGOs.
You don't have the right to kill people!

Whats needed to stop you!?
Look, when you only want to travel around the World as a VIP and fuck your VIP-girlfriend...
Do it!
But don't suggest to the World 'that you are such a nice fair good-hearted loving man', because you don't care if you cause hell in another human being'.

You move on from one NGO to the next, leaving behind you a trace of damaged & endangered persons. NoLandmines 'is almost flat' because of you!

I told FBI:
'I am too tired to warn all persons PmcC damages with his crude attitude towards me'.

Eye-yoga? Do you want to turn blind, before your time?
You are specialized in blind-folding people, so perhaps Gods & Goddesses take revenge on you... From the day you tell truth, your eyes will become much better.

Paul,

You can think:
'Desiree can have half my income from the Tel-Aviv-concert; the other half goes to the ICC-victimfund... and everyone is better off'.
But this is not the reality!
With you behavior you make dictators & criminals working for ICC stronger, victims weaker.

I want you to stay way from war & poverty, now you refuse to educate yourself
and to adjust yourself to more experienced war-victims.
You don't have the right to make life of people

Its you who causes 'vanity fair', not me.
