[UN Commission arbitration-court-systems / Protocol Regime-change without bloodshed](#)

Donald Trump, FBI, UNSGAntonioguterres, Embassadors, Some People,

DonaldTrump,

The FBI has informed you about my exicstance on Planet Earth.

Alle my messages to you will run via the FBI Washington - USA Embassy in Thehague - NAACP.

So, you can't produce bullshit-talks - politics.

I understand 'that you plan to replace all Obama-embassadors with fans or yourself'.

Now I still don't have the labourcontract InterimPrimeMinister for the Netherlands,
Fake - criminal King Willem-Alexander will accept your new USA-embassador officially in NL.

Dictator Markrutte - King WA - Ministry of Defende - Police are playing an extremely danagerous game with me and the People in the media and online.

They want the whole Wolrd to understand 'that they are above the law... and therefore do not have to prove that they operate legally correct in Courts of alw - warzone - media - politicis'.

All ambassadors have accepted that fact 'that I don't take to the street to claim my labourcontract with force, now I don't want terrorism-attacks in Europe'.

Don't underestimate my position:

Terrorists want information from me - but they don't threaten me
or don't try to damge / kill me because I want the International CriminalCourt - Eu - UN to
operate
legally correct.

I communicate publicly, so there is nothing to hide from...

What can you expect?

You new Embassador in NL can better start to operate from the Constitution Republic NL;
this Constitution is put into power by me on 18nov2016.

I have the legal right to pass all the NL-dictators, so I do...

When you communicate with the NL-dictators you will learn 'that you are free to lie - manipulate - threaten - sabotage - create unrealistice business deals - and will get things the way you like it'.

This will only be a very brief moment of joy!

I am the InterimPresident for NL; the Constitution for the Republic runs in Europe for 2 years now.
And will become the foundation for Republic NL.

When the UN Commission Arbitration-socurts-systems starts in 2017, I will be publicly run NL in 2017.

I strongly advice you 'not to waste time - energy - money - human capital' on bussines-deals that won't last.

I expect you to operate legally correct from the Constitution Republic NL and other Republic laws now in the making.

You find them on my websites.

And within the UN Commission Arbitration-court-systems fromt he day this Commission starts officially.

O...the Galaxy is with me!

i have the same skill as George Orwell had in the book '1984, Big Brother is Watching you'.

Only I predict wars.... which is a very painfull job....

And I am being educated by the Galaxy, the Meeting of Gods & Goddesses ... for the survival of this hel.

Don't underestimate the Galaxy either.

Your new Ambassador in The Hague may communicate with me.
It will not be confidential.

See you,

With regards,

DesireeStokkel
