Stella mcCartney,

I don't care HOW you do it, but your father has to talk to me.

He turns my ICC-case into a web-relationship, what causes terrorism in NL and worldwide.

I can't talk about everything by mail or on the Web.
Besides 'he & I have to lookeachother in the eyes...and restore failures'.

NOW, not when that spoilt rotten fathers of yours 'has some space in his soul for lives-troubles'.

I cleaned up my websites, because I discovered 'thats impossible to report terrorisme to authorities in NL'.
UK tries to close the country , NL opens all borders for Al Qaida.
Airports, mainports....

I am the only person in NL who can close NL again.
Read my letters to FBI, Interpol on www.newlegalframe.com.
Right kolom.

Its for the first time I have placed a photo of Paul on www.desireestokkel.nl
If he wants me to remove it, I shall.
Text remains.

Paul has not the right to contribute to the death of me, aid-workers or war-victums, simple because he is too much of
an EQ-coward.

Have a day full determination,
Desiree
