**ElonMusk,****I shall give you the sentences you need for the  
New man & father Musk.**

Here we go...

Its time for me to Clean my relationship with me Deep Self.

Have no other option, now I father  Baby Galilei .

In Higher Space-forces, which I have been ignoring over the past decades.

**Past 2 years I ignored DésiréeStokkel,  
the InterimPrimeMinister of the Nethelands & USA.**

She came to me for a New type of Fairtrade-relationship in the ICT-Space-industry.

I still don't know what Fairtrade is... despite her outlines over the past 2 years.

Désirée offered me 600 x to Install Fairtrade at SpaceX,  
what I did not appreciate positively.

I have changed

 Realizing ... that the Marketing-man in Me ,  
has become a man who destroys my Good Work. 

Désirée showed me the difference between a Bad man and a Good man.

And, I have made the decision to Evolve - into a Good relationship with her -  
with the aim to be the Best Man I can possibly be.I want to know all about her EQ, for the Future of Fairtrade SpaceX  
and the other Musk compagnies.I shall give her what she needs      The  Governors Association knows that Désirée has upgradedthe @onemillionofus @March4ourLives  Young Americans

with knowledge about Justice - Fairtrade - Psychotherapy.

**I will work on [www.spacecourtplanet.us](http://www.spacecourtplanet.us) together with Désirée.**

With the target to make it possible for my new son Galilei   
to design the Life he needs to Survive on planet 

**That will be a Bike-Lifestyle for America.** 

**Grimes will always be the mother of the Tiny man in my Life.**

**But, I realized too late, that her world...breaks down the security & safety  
of my own compagnies ... and the products I serve my customers.**

Grimes & I are working on a relationship ... that can be trusted by customers.

I think that will mean 'that we will live seperate lives, not in the same house anymore.  
We also must be aware of different types of fans'.

**I need Désirée  to help me establish this new lifestyle.**

For me and all my children.

When I travel to Germany, I shall also travel to the Netherlands  
to give Désirée the ICC-Spacex-letter... for the making of our New fairtrade-life.

  Musk, this is the point where you add your Evolution....  
Things you need to do now.

When you pronounce these sentences... and customers can see  
that you have made a Clear Fresh Start...  
you might stay in business.

As, in independent Business-man 

 China will turn you into their slave, when you sabotage... this solution.  
When you don't move on into Legally Realistic Lifestyle.

I have written these sentences from EU-problem-solving perspective.

Germany is not as good as your brother & you believe it is.
