### China, Embassy,

### China,

### 15 July2018, I will close down the FIOD financial police in Holland.

They are parasites on my body, who torture me and who refuse to operate legally correct.

Head of Police ErikAkerboom + Ministry of Defence Commandors are still in their labourcontract = they are free to murder.

### FIOD refuses to stop the Ministry of Common Affairs - killings;

Refuse to bring me my IPM labourcontract.

Refuse to stop the media-lies about DictatorshipNL.

### All the problems in NL could already have been solved.

### FIOD = discriminating / class-justice Mass-murder-club.

When I close down the FIOD... it will only be officially re-opened in the RepublicNL.

In between DNL and RNL, the people are free to be Financial Corrupt in Kingdom the Netherlands.

### FIOD only stays officially open, when I have the IPM labourcontract on 1july2018.

### And the People of NL will have Elections for the Elected Prime Minister on 18sept2018.
