Christian Drosten,

You have studied my file www.desireestokkel.nl

You know

'that my emails published on all my websites are Today the Messages that block the @WEF Terrorists

who Attack the People on Earth 🌐 with Bioweapon SARScov2'.

You don't want to murder Humans.

I don't know HOW much time 🕒 you need to open ScourtMedics; the New Medication -Testlab we manage for Europe.

ScourtMedics will approve the use of Newly launched Medication on the Market by the pharma-industry;

we make sure that Humans do not get polluted by Heavy Chemicals that trigger - generate - prolong Genocide.

You must deliberate with CharitéBerlin for the realization of this unit.

Knowing that a part of the Top-management of CharitéBerlin is Pro-Genocide via @wef @UN corruption.

Its time to speed up The Good Healing methods of Work.

I publish this email on www.spacecourtup.nl

Straightforwards thinking:

All 225 Members of Parliament in NL are Pro-genocide; they support Childmurder by Gatesfoundation / RIVM.

So, CharitéBerlin co-works with Childmurderers in NL , too. This must stop.

Apparently, the @WEF assume that Humans die ⇨ in the Rhythm they want them to die... due to Covid19 Simulation Pandemic.

When Humans die ⇨ too fast / too slow ... there is NOBODY

who can keep the Economy 💰👁️👁️ going for the #CryptoCurrency mining by the @ECB @SwissbankBrussels ++

When @wef get a way with the Vaccination of many Humans, they will also Pollute the Regular medication 💊 with Nanobots for ill-making of the People.

The sicker the People are.... the more money the @WEF elite will make via the Pharma-industry... is the Target of the @WEF .

I have a very serious / dangerous problem with the Defence -system in NL.

They have NO Plans at all to RESET the State of Law NL.
This will result in Mass-murder in NL - DE - EU - UN.

To Reset the State of Law NL, must be a public & active process.
The Defence-system must take over Media - Parliament - Rijksoverheid and explain the People about www.desireestokkel.nl www.jongrepubliek.nl www.grondwetrepublieknl.org

The Army must assist me to obtain the Labourcontract InterimPrimeMinister.

When this process doesn't start on a very short Timeline soon,
the Pharma-industry will be able to Pollute: medication - streetdrugs - food - water.

The amount of Passive-aggressive- Violence in the NL Defence-system triggers
a Highspeed disaster, overhere.

What can I do ?

I can teach the Youth; make Businesses work with truth.

Trouble:

The Dutch People are barbarians.
Parasites, who don't want to do the real Legal Job.

What does this result in ?

Germany will fall apart too.

And, that will increase/ speedup the Genocide on 80% of the German People.

Too fast = too many Humans will fall ill and there will be Nobody to
make <https://www.auswaertiges-amt.de/en> WEALTHY,

What to undertake ?

You need to Open a website ScourtMedics CharitéBerlin as quickly as possible.

InternationalCriminalCourt - OTP - ,

You wrote me: 'There are not enough crimes going on in The Netherlands to proceed on your File'.

The Big Genocide has already Started;
do you want to be killed by #Microbiomes SARScov2 in the Atmosphere, dumped by drone by @WEF?

I want you to stop being corrupt, before its too late for all Humans.

Terrorist MinisterPresident MarkRutte

IEDEREEN gaat dood; ook de niet gevaccineerden.

Ik wil het Arbeidscontract InterimMinisterPresident per 18nov2016.

Ik wil een Intelligent - fatsoenlijk Leger dat het volk beschermt tegen uitsterven.

Ik wil per direct een STOP op vaccinatie... omdat IEDEREEN dood gaat door Biowapen SARScov2.

Ik wil een MP Rutte die zich verontschuldigt tegenover het volk en de Republiek uitlegt aan Volk.

Evolutie van Intelligentie.
