Buckingham palace, African Union, Sudan, Colombia, Sierra Leone, India, Kremlin, China, ICC, Wikileaks,

This email is meant for Ivory-cost, in the first place.

It proves to be very difficult for me to get emails in Kenya or Ivory-costs, so please make sure those parliaments receive my message.

I believe that Ivory-cost needs NEW Elections to India-example.

The UN & ICC are too criminal themselves to create a solution under given circumstances.

ICC must stay away from Africa!

ICC-employees only misuse Africa as a cover for their murder-games on EU-victims who start a lawcase against a EU-country.

UN supports these murder-games of ICC.

There will never be a peaceful solution now the criminal behavior of EU-leaders is also revealed by Wikileaks.

The media refuses to tell the complete truth, about AU, ICC...and Ivory-cost.

Thanks to Wikileaks we know 'that France-politicians have accepted criminal money for their political party'.

This makes peace in Ivory-cost more complicated to achieve.

France must stay out!

India,

I think 'that you must do something unusual'!

Create a new thinking-pattern in Africa.

You must offer Ivory-cost to use your Election-computers for New elections.

I am right here, aren't I?

You have computers that can be taken into the rural country on the back of a scooter?

Most Indian-Country-Fooks have voted over a period of time for the general elections, despite the large number of voters in India.

When you offer Ivory-cost your Election-method; fairness will have a better chance!

This email is also addressed to OTP of ICC.

I want ICC to be closed temporarily, now all employees prove to be warcriminals themselves.

ICC-president refuses an investigation on the criminal behavior of mr Luis Moreno Ocampo; they refuse to respond to all my letters of 15oct2010 & 2dec2010.
