Japan,

President Abe = 100% liar.

The EU- JP Trade treaty = 100% FAKE.

Because there is an International Criminal Court lawcase against President Abe + Embassadors JP in NL.

Because Abe - himself - organized Murder on Civilians... every Single clever Person can stop every Business-contract in Japan.

Because President Abe = Still president of Japan.

Every clever person writes a letter to President Abe + Owner of a JP-business-contract.

And writes in this letter: 'There is an ICC lawcase against JP - Abe - for Organizing Massmurder.

According to the UN charter - Torture treaty - Humanright treaties its forbidden to be connected with a person who ignores ALL legal obligations.

Therefore the business-contract is invalid.

Besides, I - Désirée Elisabeth Stokkel - took over the Legal position from President Abe, via the UN.

Because I did..., I could signatures all Business-contracts for Japan; what makes them legally valid again.

Since I am the person who started the ICC lawcase against President Abe & co.

I don't really want to do this!

I want Japan to elect a new President + give Holland a new Embassador for Japan.

I want Japan to pay me a Settlement & Payment for the damage they cause me

= build dictatorship NL together with the ICC-personnel + EU = Freedom to Murder Individuals in the Hidden world.

I don't want to be tortured / killed.

I made this 'Evil Hidden World visible for Individual Japanese people on my website

- and in ICC -, what gives them the opportunity to defend themselves

against Evil President Abe + Ambassador in NL.
