Kremlin, EdwardSnowden, FBI, Sweden, Hongkong,

Edwardsnowden, I rescued you life.

You are obliged to rescue the life of ChelseaManning, by telling the truth about Wikileaks - JulianAssange -.

Assange - and even you - ignore ICC.

Assange for another reason than you do; Assange is jealous of me.

You are afraid to lose your asylum and freedom in Russia.

Its about time - Edward - that you deliberate with the FSB about 'telling the full ICC-truth'.

I did not rescue you to kill ChelseaManning.

FBI, can you make sure that ChelseaManning receives this email?

With regards,
